Solo nei centri superService aderenti della Lombardia

The inspection will not have time limits, all skiers can stay as it wanted to study the slope, but you can not ski in the area used for the event. Instead it will be possible for everyone to use the chair lift **"Col de Varda,"** where you can ski until closing plants with a ski pass offered at the special price of EUR 16.00 from the company Misurina Snow. There will also be places where you can test the new materials from various companies. After the closure of plants will be given a warm welcome in Lago Antorno to all the fans have come to participate or watch the contests. At 17.00 there will be a **Freestyle Demo Contest** in the mini park that is located on top of the ski lift **"Loita"**, All accompanied by music of a DJ and hot mugs of mulled wine. At 18.30, the competitors will be shown pictures of the slope of the race and will be raffled off your chest.

On Sunday morning there will be the test. A panel of six judges, three for three for skiing and snowboarding, will evaluate the contestants under the careful supervision of Mountain Guides, with the help of volunteers from Mountain Rescue. The finish area is located near **"White Hut Rin"** and is easily reached on foot in less than ten minutes from the hut. The music system and DJ will be the finish of the race, to delight the spectators. Lunch is planned at White Hut Rin. For the duration of the event logistics headquarters is situated in **Lago Antorno**, where will also be installed gazebo and inflatable sponsors of the event will present their material and possibly propose ski / snowboard-tests, clinical or transceiver CAMP to experience the latest techniques with the avalanche latest models of Arva, shovel and probe. It awaits the arrival of many Italian riders, some of the best of the peninsula, and some foreign names in the entertainment world's Freeski.

The event will made some video editing, edit a long, two short edit run with the best male and female together with interviews with the riders. **I-FREE**, an acronym of Italian Emotion FreeRide Experience, was founded with the aim of creating freeride events Italian mountains for fun, have fun and contribute to the dissemination of a culture of the mountain at 360 ° through the sport. Among the fundamental principles of the FREE is the diffusion of modern values, to live up to the mountain but always with respect for nature and the fundamental rules to ensure the safety of themselves, others and the environment surrounding area.

**VIPs on Board**, was born from the passion for surfing, skiing, snowboarding and sports in general, offering a unique opportunity for VIP and enjoy a memorable holiday and to give hope to more than 10.000 Italian children with neuromuscular diseases: Vip on Board argues the Centro Dino Ferrari in Milan, specializing in research and development of diagnosis and treatment of neuromuscular diseases.
